The Controller processes personal and contact data communicated by you directly, when you fill in the virtual meeting request form on our website. The deriving virtual meeting will employ IT platforms, in use by the Controller under a regular license. We specify that neither pictures nor video images will be acquired during the event.

Data processing purpose

Personal contact data are processed in order to follow up on your request and therefore meeting pre-contractual and contractual obligations deriving from entertained relationships, without your express consent, which we assume to be implicit in your virtual meeting request.

On the other hand, we ask for your specific and distinct consent to send via email and/or correspondence and/or sms and/or telephone contacts, newsletter, sales communications and/or advertising on products or services offered, as well as to investigate your level of satisfaction (marketing).

How we process your data and how long we store it for

Processing of personal data is implemented through the operations indicated in art. 4 n. 2 GDPR and precisely: collection, registration, organization, storage, consultation, processing, amendment, selection, extraction, comparison, use, interconnection, blockage, communication, cancellation and destruction of data.

Through provided data, no profiling activity will be undertaken, as defined in art. 4 n. 4 GDPR.

Personal data are subject to written, electronic and automatic processing.

The Controller shall process personal data for the time necessary to meet the abovementioned purposes of contact and virtual meeting implementation. Should you give us your consent to process your data for marketing purposes too, storage time shall not exceed 2 years from data collection, unless earlier withdrawal of consent.

Recipients of collected data

Data shall be made available for the purposes mentioned above to employees and collaborators of the Controller, as authorized and/or internal responsible of the processing and/or system administrators; to website providers; to IT platform providers for the event.

The abovementioned data shall not be subject to distribution anyway.

Data transfer

Management and storage of personal data will be held on servers located inside the European Union belonging to the Controller and/or third entrusted societies.

Data shall not be subject to transfer outside the European Union. However, it is understood that the Controller, where necessary, shall have to faculty to move the location of servers to Italy and/or European Union and/or non-EU Countries. In this case, the Controller immediately ensures that the transfer of non-UE data shall occur in accordance to applicable law dispositions, stipulating, if necessary, agreements which guarantee an adequate protection level and/or adopting the standard contractual clauses provided by the European Commission.

Nature of data provision and consequences of refusal to answer

Data provision for contact purposes is mandatory. In its absence, virtual meeting shall not be executed.

Data provision for marketing purposes is optional. Therefore, in case of refusal, there will be no consequences, except the impossibility to provide information regarding sales initiatives relating to products or services.

Your rights with regard to the personal data that we hold about you

With relation to personal data processing, you are entitled to:

- Ask the Controller the access of personal data (art.15) and correction (art.16), or cancellation of the same (art.17), or processing limitation (art.18) of data related to you, or processing refusal (art.21);
- Ask for data portability (art.20);
- Withdraw the consent at any time, without affect the lawfulness of processing based on the consent given before the withdrawal (art.7 par.3);
- Lodge a complaint with a supervisory authority (art.51).
