LEGAL BASIS FOR THE PROCESSING

Data collection of web users is justified by A UNO TEC s.r.l. legitimate interest to the improvement of its own website.

CATEGORIES OF PERSONAL DATA AND PURPOSES OF THE PROCESSING

Browsing Data

The information systems and software procedures relied upon to operate this web site acquire personal data as part of their standard functioning; the transmission of such data is an inherent feature of Internet communication protocols.

This data category includes the IP addresses and/or the domain names of the computers and terminal equipment used by any user, the URI/URL (Uniform Resource Identifier/Locator) addresses of the requested resources, the time of such requests, the method used for submitting a given request to the server, returned file size, a numerical code relating to server response status (successfully performed, error, etc.), and other parameters related to the user's operating system and computer environment.

These data are necessary to use web-based services and are also processed in order to

- extract statistical information on service usage (most visited pages, visitors by time/date, geographical areas of origin, etc.);
- check functioning of the services.

Browsing data are kept for no longer than twenty six months and are erased immediately after being aggregated (except where judicial authorities need such data for establishing the commission of criminal offences).

Data communicated by users

Sending messages, on the basis of the user's free, voluntary, explicit choice, to A UNO TEC s.r.l. contact addresses and filling in and sending the forms made available on A UNO TEC s.r.l. websites, as well as sending curriculum vitae, entail the acquisition of the sender's contact information as necessary to provide a reply as well as of any and all the personal data communicated in that manner.

Specific information notices are displayed on the pages of A UNO TEC s.r.l. websites that are used for providing certain services.

COOKIES AND OTHER TRACKING DEVICES

Technical Cookies
